“Love the Lord your God with all your heart, all your soul, and all your mind”

Matthew 22:27

St. Paul's School (SPS) is a ministry of St. Paul's Church (SPC). SPC is a loving community of believers in the heart of Greenville with the simple goal of knowing Jesus and making Him known in our daily lives – in our city, homes, neighborhoods, businesses, schools, and wherever else the Holy Spirit leads. SPS was born out of a desire and need to raise up an equipped generation of believers. It is our hope to nurture hearts and grow minds. By providing an exceptional early childhood education and sharing the gospel, SPS purposes to join with families to strengthen the kingdom. Our goal is to be a school where both academic excellence and biblical truth are priority – to be a light on the hill.

Teaching Biblical Truth

In teaching truth, it is our hope that all children who enter the doors of SPS will leave with a deep understanding of the Father's love – his “never stopping, never giving up, unbreaking, always and forever love.” It is our privilege to be vessels of this love. As we journey through the stories of the Bible, we pray we are able to help children know Jesus in a real way – as their rescuer, their healer, and their friend. Jesus calls the children to come to Him, and it is our joy to lead them along the path.

Providing Academic Excellence

In the classrooms of SPS, it is our hope to blend the teaching of heart and mind and, in doing so, create classrooms full of children who love learning. It is our privilege to be knowledge bearers and change makers. As we strive to implement best teaching practices, we will remain passionate in linking what we know about how the brain learns with how we teach. We know God created all children with a longing to explore and discover the world around them. We are to build upon this natural curiosity and lead children to become active participants in their learning experience. We believe that early exposure to the foundations of language and literacy is essential to growing strong readers and writers. It is our privilege to help children build a lasting enthusiasm for exploring the world around them. Our prayer is this enthusiasm for learning will lead them to find more Jesus.
